

Bibles for Asia Update and Challenge

The most important to date - June 25, 2017

GIANT THANK YOU FOR PRAYING AND GIVING:

I Corinthians 16:1-9 ALWAYS ABOUNDING IN THE WORK

Jerry's outline was a entre into your participation this past year with Bibles for Asia.

BLESSINGS – BLESSINGS - BLESSINGS

I titled this update for a reason of how God directed village farmer pastors.

RICE FIELD GOSPEL “ A New Outreach by village farmers to farmers”

1. Vietnam: Translation and NT recording. Six of ten languages now in villages -500 DVD's given out into villages for each language group this year.

2. New Project 50: 5 Gospel booklets into 10 languages for translation, recording and duplication starting in August. A one year audio project.

3. Request from tribal pastors for 500 mini projectors and 2,000 outdoor louder speakers for expanding GLG's we call “Rice Field Gospel Teaching” for daytime.

4. Expanding the outreach and what God has in store for BFA in the 2018 language work and audio recordings.

5. The needs and prayer request for 2017 now and those for 2018 and long term “Reach Vietnam and Other Nations for Christ” using the format that we are following in Southeast Asia.

6. Share the need for more volunteers in the USA. Recruiting additional prayer warriors and 100 Bible Transport Team Members. Representatives to duplicate Joy and I part or full time sharing at churches in Northern CA and in other states.

What God has provided:

- Printing Bibles in small & large quantities for those who can read
- DVD's, SD micro cards, Smart phones and audio Bible teaching
- Jesus Films now available on phones and mini projectors
- BFA through technology is providing Gods word to thousands monthly
- The Gospel Listening Groups expanding into 2,000 villages
- **Global Recordings Network** agreed last week to financially partner with us to translate and record their Bible materials into the 35 languages of the “Least Reached and Unreached” which allows us to increase outreach.
- **Faith Comes By Hearing** co-partnership providing 6,500 SD's & 1,000 Audio Bible Player Proclaimers in the languages of the villages we serve.
- **Christian and Missionary Alliance** audio recordings and Bible gift to us.

SHOW THE FOUR MINUTE BIBLE AUDIO AND VILLAGE GOSPEL VIDEO

Roland told me that I could make you feel good..... but Roland said for me to use the hammer on you all, so, here it goes!!!!

A REMINDER OF THIS CHALLENGE TO YOUR HEARTS TODAY:

First: Go to Sonlightclass.com and click the link to Guest Speaker, that's me. June 25, 2017. Roland or Myron will post this talk in audio as a reminder to be faithful in praying, that is number one, but also in considering "The rest of the Story" I will comment on the next few minutes. For you who have the ability, please pray about being SOLD OUT in volunteering and giving to Bibles for Asia.

Review Jerry Newman's lesson for us of last week and its relativity to the "Encouraging and Challenging Update and video of what God is doing.

The Bibles for Asia Needs:

- Volunteers to help, mail, email, duplicate SD cards on our new donated duplicator, purchasing, News Praise and Prayer Communications Team.
- Calling to thank our prayer warriors and donors.
- Writing articles for email and newsletters.

PRAY REQUEST:

- Volunteers and Bible Transport Tourist Team Members
- Raising funds for team members-risk of passport cancelled-two week trips
- The need for funding Gospel Groups to 1,000 villages reaching 150,000
- Consider our ages-Your Will - Your Trust - Your Estate Giving to BFA
- Giving and extra \$ 2.00 a week = \$ 96.00 a year X ten people = 5,000 saved and 20,000 hearing the gospel in their language.
- \$2.00 a week times ten people = ten new churches a year that double in 6-12 months.

Ending the talk: Five minutes of questions and answers.
