

Messiah Has Appeared Hebrews 9

Scripture focus: Hebrews 9:11-15

- Messiah has appeared
 - High Priest of good things past
 - Operating from a better tabernacle
 - Not made by hands
 - Not of this creation
- Having entered the Holy place
 - He has never left
 - He did not enter with the blood of sacrifice animals
 - But with His own
 - Providing eternal redemption
- By comparison
 - If the blood of sacrifice animals
 - Sanctified and purified the flesh
 - How much greater
 - Messiah's blood
 - Who through the very Spirit of God
 - Offered Himself
 - Without blemish
 - To God
- As a result, cleansing our consciences
 - From dead, meaningless works
 - To a life actually serving God
 - Not out of the fear of the law
 - But out of love having been cleansed
- Therefore
 - He mediated a new covenant
 - Between God and man
 - So the called might receive
 - The promise
 - Eternal inheritance
- How you ask?
 - A death has taken place
 - For the redemption of all transgressions
 - Committed under the first covenant
